

## 'Raise a SMILE with a Rainbow'

**Your challenge:** To design and make a usable item for someone who is staying safe at home.

### **FINAL PRODUCT**

Here is a photo of the product I made.

### **EVALUATION**

Which part of making your product was most successful? .....

.....

What was the biggest challenge when making your product? .....

.....

If you were to make your product again, is there anything you would change? .....

.....

### **DID YOUR PRODUCT MEET THE SET CRITERIA?**

**Did your product:**

- have at least one rainbow on it?**
- make the user smile?**

**Could your product:**

- be used inside the home or in the garden?**
