

'Raise a SMILE with a Rainbow'

Your challenge: To design and make something which can be used by a person who is staying at home.

FINAL PRODUCT

Here is a photo of the product I made.

EVALUATION

What went well when making your product?

.....

.....

If you were to make your product again, is there anything you would change?

.....

DID YOU SUCCESSFULLY COMPLETE YOUR MISSION?

Did your product:

- have at least one rainbow on it?
- make the user smile?

Could your product:

- be used inside the home or in the garden?
